Rail Service Returns to Snow Hill

Photo by MDDE President Cathrin Banks

On Tuesday, June 18, freight rail service returned to Snow Hill, MD, on the Maryland & Delaware Railroad, and at the throttle of MDDE 2628, an EMD CF7, was engineer Randy Rash pulling a ten-car train. Read about it in this High Green!

Next Meeting: Wednesday, July 3, 2019 at 8 p.m. at the former B&O Station in Silver Spring, MD, featuring *Conrail Hot Spots East*.

Following Meeting: Wednesday, August 7 at 8 p.m. at the former B&O Station in Silver Spring, MD, with a program by John Sery.
